INDEPENDENT AUDITORS REPORT

To the Members of

IMPEX SERVICES LIMITED

Report on the Financial Statements

We have audited the accompanying financial statements of M/S Impex Services Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2014, and the Statement of Profit and Loss and Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation of these financial statements that give a true and fair view of the financial position and financial performance of the Company in accordance with the Accounting Standards referred to in sub-section (3C) of section 211 of the Companies Act, 1956 ("the Act") (which continues to be applicable in respect of section 133 of the Companies Act, 2013 in terms of General Circular No 15/2013 dated 13th of September 2013 of the Ministry of Corporate Affairs) and in accordance with accounting principles generally accepted in India.. This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:

- a) in the case of the Balance Sheet, of the state of affairs of the Company as at March 31, 2014;
- b) in the case of the Profit and Loss Account, of the loss for the year ended on that date; and
- c) in the case of the Cash Flow Statement, of the cash flows for the year ended on that date.

Report on Other Legal & Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2003 ("the Order") issued by the Central Government of India in terms of sub-section (4A) of section 227 of the Act, we give in the Annexure a statement on the matters specified in paragraphs 4 and 5 of the Order.
2. As required by section 227(3) of the Act, we report that:
 - a) We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - b) In our opinion proper books of account as required by law have been kept by the Company so far as appears from our examination of those books
 - c) The Balance Sheet, Statement of Profit and Loss and Cash Flow Statements dealt with by this Report are in agreement with the books of account.
 - d) In our opinion, the Balance Sheet, Statement of Profit and Loss and Cash Flow Statement comply with the Accounting Standards referred to in subsection (3C) of section 211 of the Companies Act, 1956; (which continues to be applicable in respect of section 133 of the Companies Act, 2013 in terms of General Circular No 15/2013 dated 13th of September 2013 of the Ministry of Corporate Affairs)
 - e) On the basis of written representations received from the directors as on March 31, 2014, and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2013, from being appointed as a director in terms of clause (g) of sub-section (1) of section 274 of the Companies Act, 1956.

IMPEX SERVICES LIMITED

Notes to Financial Statements for the year ended 31st March, 2014

1 Corporate information

Impex Services Limited is a company domiciled in India and incorporated under the provisions of the Companies Act, 1956 and is engaged in the business of Non Banking Finance Activities

2 Significant Accounting Policies

2.1 Basis of Preparation of Financial Statements :

The financial statements are prepared under the historical cost convention, on accrual basis, in accordance with the requirements of the Companies Act, 1956 and mandatory accounting standards prescribed in the Companies (Accounting Standards) rules, 2006 (as amended) issued by the Central Government.

2.2 Use of Estimates :

The preparation of financial statements requires estimates and assumptions to be made that affect the reported amount of assets and liabilities on the date of the financial statements, and the reported amount of revenues and expenses during the period. Difference between the actual results and estimates are recognised in the period in which the results are known/ materialised.

2.3 Current and non current investments

- (i) Investments that are readily realisable and intended to be held for a period not more than a year are classified as current investments. All other investments are classified as long term investments. Current investments are carried at lower of cost and fair value, determined on category of investment basis
- (ii) Long-term investments presented as non-current investments are carried at cost. However, provision for diminution in value is made to recognise a decline, other than temporary decline, in the value of investments

2.4 Revenue Recognition :

Revenue is recognized only when it can be reliably measured and it is reasonable to expect ultimate collection. Revenue from operations includes sale of goods, services, sales tax, service tax, excise duty and sales during trial run period, adjusted for discounts (net), Value Added Tax (VAT) and gain / loss on corresponding hedge contracts. Dividend income is recognized when right to receive is established. Interest income is recognized on time proportion basis taking into account the amount outstanding and rate applicable.

2.5 Inventories

Finished Goods are valued at cost or net realisable value whichever is lower

2.6 Impairment

The carrying amounts of assets are reviewed at each Balance Sheet date if there is any indication of impairment

2.7 Income Tax

- (i) The Company has not recognised the deferred tax assets in accordance with Accounting Standard-22 issued by The ICAI relating to claims relating to brought forward unabsorbed business losses / Unabsorbed Depreciation / Allowable deductions on actual payment as per provisions of the Income Tax Act 1961 as a prudent accounting practice in view of the uncertainty regarding the absorption of such claims in future years.
- (ii) Tax expense comprises of current and deferred tax. Current Income tax is measured at the amount expected to be paid to the tax authorities as per the provisions of the Income Tax Act 1961. Deferred income taxes reflect the impact of current year's timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier

- (iii). Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the Balance Sheet date. Deferred tax assets and deferred tax liabilities are offset, if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred tax assets and deferred tax liabilities relate to the taxes on income levied by same governing taxation laws. Deferred tax assets are recognised only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised. In situations where the Company has unabsorbed depreciation or carry forward tax losses, all deferred tax assets are recognised only if there is virtual certainty supported by convincing evidence that they can be realised against future taxable income.
- (iv) At each Balance Sheet date, the Company re-assesses unrecognised deferred tax assets. It recognises unorganised deferred tax assets to the extent that it has become reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which such deferred tax assets can be realised
- (v) The carrying amount of deferred tax assets are reviewed at each Balance Sheet date. The Company writes-down the carrying amount of a deferred tax asset to the extent that it is no longer reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which such deferred tax asset can be realised. Any such write-down is reversed to the extent that it becomes reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which such deferred tax assets can be realised
- (vi) The Minimum Alternate Tax (MAT) credit is recognised as an asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified year. In the year in which the MAT Credit becomes eligible to be recognised as an asset in accordance with the recommendations contained in Guidance Note issued by the Institute of Chartered Accountants of India, the said asset is created by way of a credit to the profit & loss account and shown as MAT credit entitlement. The Company reviews the MAT credit entitlement at each Balance Sheet date and writes down the carrying amount to the extent there is no longer convincing evidence to the effect that Company will pay normal tax during the specified period.

2.8 Earnings per share

Basic earnings per share are calculated by dividing the net profit for the year attributable to the equity shareholders by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted earnings per share, the net profit for the year attributable for equity shareholders and the weighted average number of equity shares outstanding during the year, are adjusted for the effects of all dilutive potential equity shares

2.9 Provisions

Provisions involving substantial degree of estimation in measurement are recognised when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources.

2.10 Contingent Liabilities

Contingent Liabilities are not recognised but are disclosed in the notes.
